the center which spoke to our members.” Hastriter received a \$100 gift certificate and one more success for her already impressive professional portfolio. Jessica is minoring in Advertising and is a student athlete on the volleyball team.

The Idaho Washington Aquifer Collaborative (IWAC) is a non-profit organization working to maintain and enhance water quality and quantity for present and future generations by developing management strategies which benefit the Spokane Valley Rathdrum Prairie Aquifer and the Spokane River region. For further information on the IWAC organization and meetings, contact Mike Galante, at [\(208\) 687-6593](tel:2086876593) or Tonilee Hanson, Spokane Aquifer Joint Board, at 509-847-4337.

Jessica Nicole Hastriter, University of Idaho College of Art and Architecture Senior, designed the winning logo for the Idaho Washington Aquifer Collaborative (IWAC). Hastriter’s logo design was selected out of a field of entries from both Idaho and Washington.

“We looked for a logo that communicates collaboration across state lines and protection of the Spokane River and Spokane Valley Rathdrum Prairie Aquifer,” said IWAC President Mike Galante.
