# Spokaneaquifer.org

left hand navigation  
with roll outs  
three columns

The screenshot displays the homepage of the Spokane Aquifer Joint Board (SAJB) website. The layout is organized into three main columns:

- Left Column (Navigation):** A vertical sidebar containing the SAJB logo at the top, followed by a list of links: Home, Contact, About, Aquifer, The Aquifer Atlas, Education & Awareness, Household Contaminants, Business Assistance, Maps, Photos & More, Publications, Reports & Studies, News & Upcoming Events, and ID-MPA Collaborators.
- Middle Column (Content):** This column features a large map of the Spokane area with green and yellow shading, representing different aquifer zones. Below the map is a green banner with the text "Local Water Utilities United for Safe Drinking Water". Underneath the map, there are sections for "Upcoming Events" (listing "Groundwater Awareness Week" from April 29-May 3, 2013), "Educating about the Aquifer" (listing "Educating about the Aquifer" from May 4, 2013 - 1:00pm), and "SAJB Photo" (listing "SAJB Photo" from May 12, 2013 - 10:00am). At the bottom of this column is a blue "Water Conservation" button.
- Right Column (Information):** This column includes:
  - A "Local News" section with a green header, featuring a small graphic of a water drop and a hill, and the heading "What is an Aquifer?". It includes a link to "Aquifer 101" and a brief description of what an aquifer is.
  - A "Another News Announcement" section with a green header, featuring a small graphic of a water drop and a hill, and the heading "Follow the Adventures of Aqua Duck and the Aquifer Protection Team". It includes a cartoon illustration of a blue duck and two children.
  - Two blue buttons at the bottom: "SEPA" and "Prodevelopment".
  - At the very bottom, a dark blue footer bar contains the text "Spokane Aquifer Joint Board" and the address "1610 N Argonne Road, Suite C, PO Box 760, Spokane Valley, WA 99207" along with the website "www.spokaneaquifer.org" and email "info@spokaneaquifer.org".
