Wellhead Implementation Program Manager's Report

September 22, 2016

2016 PCSI Map

- SAJB 2016 PCSI map – Agreement on layers for website.
- DOH Drinking Water still wants individual maps for each water system plan.
- Ben Serr suggested a possible path forward with Eastern Washington University GIS class taught by professor Stacey Warren. The students need real mapping experiences and they could possibly create the individual PCSI maps for each provider.
