

The Adventures of Aqua Duck

ADF vs. HAZ

Page 1

EXT. DAY AN ESTABLISHING SHOT OF THE AQUIFER DEFENSE FORCE BASE.

INT. ADF BASE AN ESTABLISHING SHOT OF THE AQUIFER DEFENSE BASE. THEY ARE GATHER AROUND A GIANT TABLE LOOKING UP AT THE VIDEO SCREEN.

MAYOR O.C. on video screen

Great work everyone on defeating **SLUDGE**.

Once again you've saved the Aquifer,
our vital source of drinking water.

AQUA DUCK

Just doing our job. We couldn't of done it without the help of our lo-
cal community disposing their hazardous waste at one of the seven regional
transfer stations in Idaho and Washington. (see maps)

MALLORY

We've also removed over 40,000 septic systems and reduced the amount of
phosphors from home cleaning products.

MAYOR

Keep up the great work team.

AQUA DUCK

You got it.

BUCK

That went well.

Page 2

OTTO

Sir there is something you need to see.

AQUA DUCK

What is it?

OTTO

We are detecting a growing number of "Contaminants of Concern".
From PCBs* to Pharmaceuticals**. They are manifesting into this....

OTTO HANDS AQUA DUCK A FILE. HE STUDIES IT.

AQUA DUCK

HAZ.... We have to stop it.

MALLORY

How do we find him?

BUCK

And when do we start?

OTTO

Do you guys hear something?

Page 3

SUDDENLY A MASSIVE ROBOT CLAW SMASHES THROUGH THE CELLING AND GRABS AQUA DUCK. HE STRUGGLES TO AVOID BEING CRUSHED.

AQUA DUCK

You must be **HAZ** I presume.

INSIDE THE GIANT ROBOTS HEAD IS HAZ CONTROLLING EVERY MOVE WITH TWO LEVERS.

HAZ

How perceptive you are **AQUA DUCK**,
I knew you were strong but brains too....
Too bad you'll never survive **HAZORD'S** mighty toxic claw.

Page 4

EXT. OUTSIDE ADF BASE

HAZORD PULLS AQUA DUCK OUT AND HOLDS UP IN CLAW. AQUA DUCK CONTINUES TO FIGHT BACK. BUCK, MALLORY AND OTTO SPRING INTO ACTION.

MALLORY

I'll get to the **SCRAMBLER** and provide air support with the freeze ray.

BUCK

I'll get to the **STOMPER** and provide ground support with the rocket winch.

OTTO

I guess I'll stay here and diagnose a weakness on my super computer?

BUCK, MALLORY RACE OUT OF THE ADF BASE IN THE SCRAMBLER (ship) AND STOMPER (4x4 truck). A MASSIVE ROBOT TOWERS IN THE BACKGROUND.

AQUA DUCK

No matter what you come at us with HAZ,
the Aquifer Defense Force will be there to stop you.

HAZ

Is that so, you seem very confident for
someone about to be crushed by a giant robot.

EXT. OUTSIDE ADF BASE

MALLORY WHIZZES BY IN THE SCRAMBLER

OTTO (on radio)

MALLORY, diagnostic scan shows a
control panel in the back of its head.
I'm guessing those delicate electronics
would not enjoy a freeze blast.

MALLORY

On it, targeting now.

EXT. OUTSIDE ADF BASE

**BUCK WEAVES THROUGH HAZORD'S FEET IN THE STOMPER. HE LAUNCHES ROCKET WINCH,
IT HOOKS HAZORD'S LEG**

BUCK

I got em hooked, where ya want him?

**HAZORD TURNS AND GLARES DOWN AT BUCK IN STOMPER.
HE RAISES HIS GIANT FOOT RIGHT ABOVE STOMPER**

AQUA DUCK

Buck get out of there!

OTTO

STOMPER ONE Eject Driver.

HAZORD STEPS ON STOMPER CRUSHING IT INSTANTLY. BUCK EJECTS AT LAST SECOND.

HAZORD PICKS UP BOULDER, WINDS UP TO THROW...

HAZ

Ha Ha Ha, did I break your little toy?
Where shall i put this boulder? Your office?

AQUA DUCK SMASHES THE BOULDER WITH A SUPER PUNCH. DEBRIS RAINS DOWN.

AQUA DUCK

You'll have to do better than that.

HAZ

Impressive...

Wait What?

MALLORY SWOOPS BY IN SCRAMBLER

MALLORY

Stay cool **HAZ**.

HAZARD'S MOTOR FUNCTIONS HAVE FROZEN UP SOLID

MALLORY

Motor functions down.

AQUA DUCK

Copy that, Nice shot Ace.

AQUA DUCK WINDS UP FOR ONE MASSIVE UPPER CUT THAT LANDS SOLIDLY ON HAZARDS CHIN. HE FALLS BACKWARDS WITH A THUD. AQUA DUCK SWOOPS IN TO CONFRONT HAZ. HE LOOKS IN THROUGH THE BUSTED VISOR.

AQUA DUCK

Gone?

Page 8

EXT. DAY OUTSIDE THE AQUIFER DEFENSE FORCE BASE

TWO WEEKS LATER - AQUA DUCK IS ATTACHING A NEW ROBOTIC ARM LOADED WITH SCIENTIFIC TOOLS TO A NEWLY RETRO FITTED HAZARD. NOW LOOKING MUCH FRIENDLIER.

AQUA DUCK

OK **BUCK**, the new science arm is attached.

Lets fire it up and give it a test run.

Thanks for your hard work.

BUCK

Copy that, also many thanks to the STEM*** students for helping design and engineer the new data gathering equipment.

AQUA DUCK

And thanks to **HAZ**, for the giant robot.

THE END
