# Letters from the kids

Thank  
You!

Dear Mrs. Lancaster

Thank you for visiting  
our class. I love that we  
made a aquifer! I also loved  
that you taught me about  
the aquifer. I will save  
the aquifer. You know  
how I am. I am  
not going to put fertilizer  
on the grass. Also I won't  
throw away phones or  
anything else!

thanks

MaKayla

Dear Mrs. Lancaster,

Thank you for  
visiting our class.  
I liked how you spent  
your time teaching us.  
I will never throw away  
my phone.

# Letters from the kids

Dear Ms. Simmer,  
Thank you for teaching our class  
about Water and aquifers.

- I learned
- \* What an aquifer is
  - \* What a Pump house is
  - \* What happens With Pollution
  - \* What a aquifer does

From Savanna O

Dear Ms. Zimmer,  
I had a lot of fun yesterday when  
we talked about water. I especially  
liked the experiment! I didn't let  
the car ruin my aquifer! Now I know  
What to Put down the drain and what  
not to.

Sincerely,  
Marin
