Either party may terminate this Agreement with thirty (30) days written notice to the other party. If Consultant initiates termination, it is agreed Consultant will reasonably attempt to facilitate completion of Consultant’s obligations under the Scope of Work attached hereto by the person or firm chosen by SAJB to replace Consultant to minimize the adverse effect on SAJB and its members resulting from termination and at no additional cost to SAJB. If Consultant’s services are required beyond the effective date of termination, the services will be performed pursuant to a separate written agreement with terms mutually agreed by the parties. Upon termination by either party, the SAJB shall promptly pay Consultant for services rendered and expenses incurred to the date of the termination notice. Services rendered and expenses incurred after the date of notice, but prior to the effective date of termination will only be paid with prior approval of SAJB. The Consultant shall provide SAJB with all reports or other work product acquired or developed by Consultant prior to the effective date of termination. The parties agree any equipment purchased for or by the SAJB during the course of performance of this Agreement is solely the property of SAJB and shall be delivered to the SAJB upon termination. SAJB has the right to reject all services; work product or equipment which fails to conform to

this Agreement.

SCOPE OF SERVICES

The Tasks set forth below constitute the scope of the Consultant's work for SAJB under this Agreement. Payment for such services will be made only in conformance with this Agreement. The Contract has been assigned a "not to exceed" dollar value of \$10,000. Consultant agrees to perform each Task for an hourly compensation of \$37.00 with the total not to exceed the dollar value assigned to it by SAJB.
